

# **FASTRACK**

## **Fastrack<sup>®</sup> Fortifier<sup>™</sup>**

Fastrack Fortifier is a source of herbs, chelated minerals, antioxidants (ascorbic acid (vitamin C) vitamin E and selenium) and enzymes to be used in combination with the other Fastrack equine products to complement your horse's nutrition program. Use daily with Microbial Pack for best results.

### **Ideal for Use With:**

- Equine Athletes
- Young and growing horses
- Show horses
- Senior horses
- Breeding horses

**Directions For Use:** Mix into the horse's feed once daily at the following rates:

Maintenance:	1 ounce per horse per day
High-performance and Senior horses:	1-2 ounces per horse

**Minimum Guaranteed Analysis per 1 ounce:** 1,500 mg ascorbic acid (vitamin C); 250 mg vitamin E; 125 mg zinc; 100 mg manganese; 50 mg copper; 0.05 mg selenium (maximum allowed 0.07 mg); amylase from *Aspergillus oryzae* and *Bacillus subtilis* not less than 3,000 bacterial amylase units; beta-glucanase from *Trichoderma reesi* not less than 29,000 BU; bromelain not less than 115,000 protein catalytic units.

**Ingredients:** Alfalfa meal, dried chicory root, ascorbic acid (vitamin C), vitamin E supplement, *Saccharomyces cerevisiae* fermentation extract, vegetable oil; zinc amino acid chelate, *Trichoderma reesi* fermentation extract, pineapple, *Aspergillus oryzae* fermentation extract, *Bacillus subtilis* fermentation extract, manganese amino acid chelate, copper amino acid chelate, sage, peppermint, bergamont, garlic, green apple flavor.

**Caution:** Follow label directions; feeding added selenium levels in excess of 0.3 ppm in the total diet is prohibited.

**Keep Cool:** Store in a cool, dry place.
